Masking Guidelines

County Operations Update

June 2021

Status of the Courthouse Square Building

- The Courthouse Square Building is now open to the public and we will continue to follow CDC guidelines. Individuals that have been vaccinated do not have to wear a mask, and it is recommended that individuals who have not been vaccinated to continue to wear a mask and practice social distancing.

Status of the Courthouse Building and Family Court Center

- The Court has declared a local judicial emergency. All judicial facilities (Courthouse, Family Court Center, and magisterial district courts) are generally open to the public, subject to certain restrictions and limitations as set forth in the most recent emergency judicial operations Administrative Order. For more information, including the Administrative Order, please access the following website: www.washingtoncourts.us. Members of the public are still encouraged to conduct their business at a judicial facility remotely, if possible.

Board of Commissioners' Public Meetings

- All public meetings are held in person and are open to the public. We continue to follow CDC guidelines and individuals that have been vaccinated do not have to wear a mask; it is recommended that individuals that have not been vaccinated to continue to wear a mask and practice social distancing.
- The public Board of Commissioners' meetings are videotaped and livestreamed on their Facebook page.
