INSTRUCTIONS TO BIDDERS:

1. **Bidder Responsibility** – Bidder is expected to be thoroughly familiar with all specifications and requirements of this bid. Failure or omission to examine any relevant form, article, site or document will not relieve you from any obligation regarding this Bid. By Submitting a Response, you are presumed to concur with all terms, conditions and specifications of this Bid unless you have specifically, by Section number, raised objection in writing and submitted it with your bid. Objections we consider excessive or affecting vital terms may reduce or eliminate your prospects for award.

2. Bidder may withdraw his bid by making a properly authorized and executed written application to the Controller's office prior to the deadline for the submission of bids. Certain bids may be withdrawn after the bid opening if in compliance with the act of January 23, 1974, P.L. 9 No.4 : 1 et seq. 73 PS : 1601 et seq.

3. **Contract** – By submitting a bid, the Bidder warrants that if the County makes an award to the Bidder, the Bidder shall, at the option of the County, enter into a written contract with the County. This contract shall consist of the terms and conditions set forth in the Bid, Bulletins (if applicable), Specifications, and these Instructions to Bidders. If no bid bond or substitute is required and Bidder shall pay to the County the difference in the amount specified in bid and the amount County shall pay to fulfill the specifications.

4. **Permits and Fees** - If applicable, the Contractor shall secure and pay for, all permits, fees licenses and inspections necessary for the proper execution and completion of the work which are customarily secured after execution of the agreement and which are legally required.

5. **Other Entity Use** - The successful Bidder may be requested to convey the bid prices, contract terms and conditions to municipalities or other governmental agencies within the County of Washington.

All orders, deliveries and invoices will be the responsibility of the participating governmental agencies. Washington County will not be responsible for any orders, deliveries and invoices placed by the participating governmental agency.

6. **Contract Approval** – The Washington County Board of Commissioners must approve the contract resulting from this solicitation.

A sample contract may be attached for review as part of this solicitation. Exceptions to the County's standard contract form may result in rejection of the bid or proposal. The County will prepare a formal contract specific to this solicitation for execution by the successful Contractor & the Board of County Commissioners.

7. **Sample Form Contract** – The County's form contract may be attached as part of this solicitation. The vendor's submission of a bid response without identifying exceptions expressly acknowledges and formally evidences the vendor's acceptance of all terms and conditions of the form contract. Any and all exceptions must be submitted in writing in the vendor's bid response.

If the vendor submits an exception, which alters the County's risk, liability, exposure in, or the intent of this procurement, the County reserves the right in its sole and absolute discretion to deem the vendor non-responsive.

All vendors further understand and agree that the County will accept no vendor exceptions to the form contract at any time after submission of the bid response.

8. All contracts entered into will be executed in Washington County, Pennsylvania. The parties acknowledge that the jurisdiction and venue for any dispute or any occurrence hereby arising out of the contract or out of performance of the contract or any other matter relating to Washington County shall be in the Court of Common Pleas of Washington County, Pennsylvania, and in no other location. This provision shall be deemed to be an integral part of any contract entered into by any Contractor with Washington County.

9. There will be no changes to an executed agreement without prior written approval by the Board of County Commissioners in the form of an addendum or change order. Types of changes include but are not limited to change in scope of work, extension of contract terms, unit pricing or total cost.

10. The County is required by State and Federal regulations to determine if any employee or contractor or vendor is excluded from participation in any Medicare, Medicaid, or other health care program. If it has been determined that any employee or contractor, both individual and entity, is on the exclusion list, said individual or entity must be reported to the Department of Public Welfare's Bureau of Program Integrity (BPI). Furthermore, in order to preserve funding through these programs, the County is required to immediately terminate excluded employees and to immediately terminate any contact with any vendor who is either on an exclusion list or employs an individual or individuals who are on such lists.

Federal health care programs (including Medicaid and SCHIP programs) are prohibited from paying for any goods or services furnished, ordered, or prescribed by excluded individuals or entities. Washington County will have no alternative but to cancel any existing contracts with excluded vendors or vendors who employ an excluded individual or entity. The County will not be responsible for any payment of goods or services furnished, ordered, or prescribed by excluded individuals or entities.

Bidders responding to bids or proposals affected by these regulations accept an affirmative duty to verify that neither Bidder nor Bidder's employees have been excluded from participation in Medicare, Medicaid, or any other health care program pursuant to Pennsylvania Department of Public Welfare (DPW) Medical assistance recommendations interpreting the United States Department of Health and Human Services' Office of Inspector General's regulations.

All County contracts with any contractor identified as meeting the criteria requiring exclusion screening must include the requirement that the contractor will develop and institute exclusion screening policies and procedures that conform to DPW recommendations and County requirements to assure compliance with federal regulations concerning suspension/debarment of all covered individual and entities.

11. Washington County may request a complete background search of any individual working on County projects to determine if the individual has committed any serious acts and has been cleared by the Pennsylvania State Police before being hired by the Contractor and placed on the job in County facilities.

12. Washington County may request proof of financial stability. Request for financial statements may be for the past three years or other methods of proof. 14. **SUBCONTRACTING** - Any person undertaking a part of the work under the terms of the contract, by virtue of an agreement with the contractor, who, prior to such undertaking must receive the written approval of the Director of Purchasing. The County may terminate the contract if the subcontracting is done without the Director of Purchasing's approval. **Invoices relating to any work performed by a subcontractor are subject to non-payment if prior written approval has not been received by the Director of Purchasing.**

15. **TERMINATION** - This Agreement shall continue in force until the end of its term and shall automatically terminate at the end of its term unless County terminates this Agreement earlier by providing thirty (30) days' notice to Contractor of its intent to terminate.

County may terminate this Agreement at any time for any reason with or without cause; however, in the event County

elects to terminate this Agreement, Contractor shall be entitled to compensation for services provided up to the point of termination.

16. If any alleged errors are noted in the bid specifications, Bidder should immediately notify the county and, if confirmed, a bulletin shall be sent to all Bidders. A copy of all bulletins issued shall be submitted with the bid documents to the County.

17. In completing the bid documents, Bidder should not add, delete or vary any of the terms or conditions or the documents prepared by the County. If Bidder makes any substantial changes in any of the documents, the county may, in its discretion, either reject the bid or waive the discrepancy. Bidder warrants that all goods and services described by Bidder in its bid offer, and all samples submitted by Bidder to the County shall conform to the specifications. The Director of Purchasing & the County Solicitor may waive insubstantial errors in the bid offer and specifications.

Bidder warrants, and must be able upon request, to demonstrate to possess the knowledge, experience, skill, capital, stock, charters, licenses, permits, patents and personnel necessary to satisfactorily perform the contract for which they submit bids.

19. The County may, at its discretion, provide a bid form in electronic file (EXCEL spreadsheet format). If applicable for this project, the electronic file may be downloaded from our website, or is included with bid documents made available as outlined in the Invitation for Bids. Be advised that use of the bid form made available electronically is at the Bidder's discretion. Bidder assumes full responsibility for the integrity of the completed bid form submitted and acknowledges that no changes or alterations to the bid form structure or content, other than the Bidder's pricing, are allowed. Should any changes or alterations to the bid form structure or content be detected, the bid may be determined to be non-responsive and, therefore, disqualified.

The County reserves the right to correct formula errors on the bid form.

20. Bidder will quote price for such quantities as shown and no change in price will be made during the period of the contract.

21. Washington County reserves the right to add additional like supplies and/or service to existing bid contract throughout term of contract based on an agreed upon cost.

Additional like service or supplies are not to be provided without written approval. If prior approval has not been received, invoices are subject to **non-payment**.

28. By submitting a bid, the Bidder agrees to DELIVER TO the County, at the County's request at no additional cost to the County, samples of any goods or workmanship bid. Said samples will be returned to the bidder, if requested within ten (10) days of bid award; provided, however, that the County shall not be liable for damage to or destruction or consumption of these samples occurring in the ordinary course of reasonable inspection and testing. Inspection or testing by the County does not constitute a waiver of any claims or rights which the County would otherwise have with respect to the quality of goods or workmanship.

29. Unless otherwise provided in the specifications, any references in the specifications to the quantities of goods or frequency of services to be provided to the County are estimates, and the County reserves the right to require the successful Bidder to provide more or less than the estimated quantity or frequency, or to purchase none at all. If the County requires more than the estimated quantity during the bid period, the Bidder shall supply such additional quantity at the per UNIT COST submitted in the bid offer or proposal.

price adjustment provisions will be rejected if such provisions are not consistent with a common standard against which all bids may be judged.

31. **Errors in Bids** – When an error is made in extending total prices, the unit bid price will govern. Erasures in bids must be initialed by the bidder. Carelessness in quoting prices, or in preparation of bid otherwise, will not relieve the bidder. Bidders are cautioned to recheck the bids for possible errors. Errors discovered after public opening cannot be corrected and the Bidder will be required to perform if his or her bid is accepted.

32. All billing is to be done on a monthly basis and in unit amounts indicated on bid. Invoices and delivery slips must reference the contract number and bid item number. Under Section 204(57) of the Tax Revenue Code the sale at retail by a construction contractor of building machinery and equipment and services thereto to Washington County is also not taxable. Purchases by a contractor are taxable to the contractor except for purchases that are not taxable pursuant to the above provisions."

34. Unless otherwise provided in the invitation for bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

35. Bidder agrees and warrants that whenever the Bidder, in its bid offer, describes any goods by trade name, catalog number or "as per sample" the goods so described conform to the specifications. When a "name brand" is specified it is for reference only. The product supplied is to be of same quality as brand specified. If not noted, it will be assumed that the vendor is supplying name brand specified. Vendor must provide documentation and/or sample that alternate brand meets specifications.

36. **PRODUCT ENDORSEMENT:** Contracting with a vendor as a result of this Bid/RFP will not constitute an endorsement or suggestion, by Washington County, that the vendor's product or services are the best or only solution. In submitting a bid offer or proposal the vendor agrees to make no reference to Washington County in any literature, promotional material, brochures, sales presentation or the like without the express written consent of the Washington County Board of Commissioners.

37. Unless otherwise provided in the specifications, where more than one item is listed on the bid document, the County may make a single award covering all items listed, or a separate award for each item, or awards for any combination or combinations of items, whichever is in the best interest of the county.

NONDISCRIMINATION CLAUSE

During the term of this contract, Contractor agrees as follows:

1. Contractor shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, handicap, ancestry, national origin, age, or sex. Contractor shall take affirmative action to ensure that applicants are employed, and that employees or agents are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training. Contractor shall post in conspicuous places, available to employees, agents, applicants for employment, and other persons, a notice to be provided by the contracting agency setting forth the provisions of this nondiscrimination clause.
2. Contractor shall, in advertisements or requests for employment, placed by it or on its behalf, state that all qualified applicants will receive consideration for employment without regard to race, color, religious creed, handicap, ancestry, national origin, age, or sex.

Similar notice shall be sent to every other source or recruitment regularly utilized by Contractor.
4. It shall be no defense to a finding of noncompliance with this nondiscrimination clause that Contractor had delegated some of its employment practices to any union, training program, or other source of recruitment which prevents it from meeting its obligations. However, if the evidence indicates that the Contractor was not on notice of the third-party discrimination or made a good faith effort to correct it, such factor shall be considered in mitigation in determining appropriate sanctions.
5. Where the practices of a union or any training program or other source of recruitment will result in the exclusion of minority group persons, so that Contractor will be unable to meet its obligations under this nondiscrimination clause, Contractor shall then employ and fill vacancies through other nondiscriminatory employment procedures.
6. Contractor shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Contractor's noncompliance with the nondiscrimination clause of this contract or with any such laws, this contract may be terminated or suspended, in whole or in part, and Contractor may be declared temporarily ineligible for further Commonwealth contracts, and other sanctions may be imposed and remedies invoked.
7. Contractor shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by the contracting agency for purposes of investigation to ascertain compliance with the provisions of this clause. If Contractor does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting agency.
8. Contractor shall actively recruit minority and women subcontractors or subcontractors with substantial minority representation among its employees.
9. Contractor shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each Subcontractor.
10. Contractor obligations under this clause are limited to the Contractor's facilities within Pennsylvania or, where the contract is for purchase of goods manufactured outside of Pennsylvania, the facilities at which such goods are actually produced.

(b) By requiring insurance herein, County of Washington does not represent that coverage and limits will necessarily be adequate to protect contractor, and such coverage and limits shall not be deemed as a limitation on Contractor's Liability under the indemnities granted to County of Washington in this contract.

(c) If Contractor's Liability does not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide Cross-Liability coverage.

(e) All certificates of insurance shall provide for 30 days' written notice to County of Washington prior to the cancellation or material change of any insurance referred to therein.

(f) Failure of County of Washington to demand such certificate or other evidence of full compliance with these insurance requirements or failure of County of Washington to identify a deficiency from evidence that is provided shall not be construed as a waiver of contractor's obligation to maintain such insurance.

(g) Failure to maintain the required insurance may result in termination of this contract or other punitive measures, such as withholding payments or denying access to the premises at County of Washington's option.

(h) The contractor must agree to hold harmless and indemnify Washington County and its officials from and against any and all liability arising out of any action, claimed demand, suit, or cause of action which may be made or asserted against the County of Washington and its officials by reason of any acts of the agency, or its performance of the services contemplated by this contract.
