

NATIONAL WALKING THE DOG DAY – FEBRUARY 22, 2021

February 22 is National Walking the Dog Day! This day combines two of the most happy-making things we have in this life: dogs and exercise. Humans love walking with their four-legged friends, and pooches love their strolls with their people. So grab your walking shoes, a leash, and some treats for the road, and take your favorite pooch for a stroll to celebrate National Walking the Dog Day!
